Installation of accelBIMSO Version 3.0.13 - accel<BI turns MS Office into an Executive Reporting Tool.

Please enter your folder path to install accelBIMSO.

The screenshot shows a Windows-style dialog box titled "accelBIMSO". The main heading is "Select Installation Folder". Below this, there is a text area with instructions: "The installer will install accelBIMSO to the following folder. To install in this folder, click 'Next'. To install to a different folder, enter it below or click 'Browse'." Below the text, there is a text input field labeled "Folder:" containing the path "C:\accelBIMSO". To the right of the input field are two buttons: "Browse..." and "Disk Cost...". At the bottom of the dialog, there are three buttons: "< Back", "Next >" (which is highlighted with a blue border), and "Cancel".
